**MEMO ENDORSED**

**Re: *United States v. Steven Sanchez, 21 Cr. 407 (KPF)***

Dear Judge Failla:

The parties jointly write to provide an update in this violation of supervised release proceeding.

As the Court will recall, the defendant had a pending case in Bronx County Criminal Court for the conduct underlying the drug-possession specification (Specification Number 10 in the Probation Office's February 10, 2025 Amended Violation Report). That case, however, was ultimately dismissed on Speedy Trial grounds on or about May 8, 2025.

After additional discussions, the parties believe that they have reached a resolution in this matter, pursuant to which the defendant will admit Specification Number 10 and the Government will dismiss the remaining specifications. The parties respectfully request that the Court set a conference in approximately three weeks, at which the defendant can admit to Specification 10 and proceed directly to sentencing. The parties are both available on June 3, 2025, if convenient for the Court.

Respectfully submitted,

JAY CLAYTON  
United States Attorney
